September 2019

In this issue you can read about....

- The beginning of the new school year
- The "Sports and Nutrition Day"
- The thoughts of the new sixth graders of our school...

### I'm Back!

The day has come  
"I'm BACK!" I say.  
I find my seat  
and start the day.

Sharpened pencils,  
Big, big grin.  
I just can't wait  
to dive on in!

My teacher looks like  
so much fun.  
My learning here  
has just begun.

I'll meet new friends  
and old ones, too.  
I'm feeling GREAT!  
How about you?!

### The beginning of the new school year

The first school bell of the new school year was heard on Wednesday morning 11<sup>th</sup> September 2019. The pupils and the teachers gathered in the schoolyard to be blessed with the holy water. The principal of the school, Mr. Lazaros Biliouris welcomed the first graders and wished to all of us a happy new school year!!!

## The Sports Day

Every year all greek schools dedicate one day to Sports. This year the theme was "Sports and Nutrition". On Friday 27<sup>th</sup> September, the P. E. teacher of our school, Mr. Christos Babalis organized some athletic activities for all the students. The activities took place in the area of "Koukos" where there is a sports club including a football field and a basketball court. First, the youngest pupils danced some traditional dances and after that, they did a relay- race. The rest of the students played football and basketball matches. The two classes of the 3<sup>rd</sup> grade played handball with each other. During the breaks of the games, there were girls performing dancing figures, which entertained us a lot!!! In the end, we rested and enjoyed the school trip!
