The celebration of 28th October

On Friday 25th October our school celebrated the national anniversary of 28th October 1940. The students of the second and the third grade with their teachers-Mrs. Zoe Manou, Mrs. Tassoula Galiti and Mrs. Chrissoula Dimpala- organized a wonderful celebration to honor this special day. The pupils were gathered at "Eria" and watched theatrical sketches and listened to songs by the school choir.

The celebration of 17th November

On Friday 15th November, our school celebrated the anniversary of "Politehnio" at "Eria". This celebration was organized by the the two E' classes taught by Mr. Antonis Manou and Mrs. Elena Venetatou. The pupils remembered the resistance of the people to the military regime in 1973 and the choir sang the characteristic songs of that era.

School parade

The students of our school (4th, 5th & 6th class) took part in the parade on 28th October. On a sunny morning they proudly paraded along with other school pupils and representatives of local associations. Vassilis Tsiapas is holding the Greek flag.

December...Christmas time!

In December our school organised two big events to celebrate Christmas.

On the afternoon of Monday 16th, with the aid of the parents association and the teachers, we lit the lights decorating a tree in the schoolyard to denote the beginning of the festive period. There was face- painting for the kids, hot-dogs offered for free and gluhwein- hot wine- for the parents and friends. The kids sang the local Christmas carols and had a lot of fun. Mr. Triantafillou and Mrs. Baltatzidou, representatives of the local authority, as well as the principal of our school, Mr. Lazaros Biliouris, said a few things about the school and shared wishes with all the people.

Special thanks to the music school "Arostotelis" for the appearance of the percussion class. It was amazing!

Christmas celebration

On Monday 23rd December our Christmas celebration took place in Eria. The teachers of the first class, Mrs. Anna Biliouri and the fourth class, Mrs. Ahilleia Paliobei had prepared two theatrical performances for us. The choir consisted of the pupils of the fifth grade and sang Christmas songs, "Silent night" (in Greek, English and German), "Jingle bells" (in English & Greek) and "Χιόνια στο καμπαναριό". Georgia Karametaxa and Argiro Fragotsi played the violin, while Katia Pashoula played the piano. Mrs. Artemis, the art teacher, helped with the settings, too.

Swimming lessons

On Tuesday 10th December, the two classes of the third grade started having swimming lessons during the Physical Education school subject. The kids are accompanied by the P.E. teacher, Mr. Babalis, their teachers, Mrs. Galiti and Mrs. Dimpala and the special education teacher, Mr. Topouzis.

Hopefully, the pupils will learn some basic swimming skills and techniques.
